them of record. The listings of the pending applications are provided to make the Examiner aware that there are pending applications.

Applicant discloses herewith patents, publications or other information, of which he is aware that he believes may be material to the examination of this application, and in respect of which, there may be a duty to disclose. Legible copies of all items listed in Forms PTO/SA08B (formerly Form PTO-1449) accompany this information statement, except those identified above.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

Applicant elects the option to pay the fee set forth in 37 C.F.R. sec 1.17(p) for submission of an information disclosure statement under § 1.97(c). Please charge Deposit Account No. 26-0084 in the amount of \$180.00 to cover the cost of the late filed information disclosure statement.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.
